SALE FORMAT INTERNET BIDDING WILL NOT BE AVAILABLE

This spring we will display the sale cattle starting on Friday, followed by a bid-off on Saturday, May 13th at 1:00 PM EST. This format is different than our usual auction. Each lot's starting bid price will be posted before sale day. Beginning Friday afternoon, May 12th, in-person, absentee, and phone bids will be accepted through sale time. At 1:00 on Saturday, we will hold the bid-off at the Shenandoah Valley Simmentals' sale barn, on the farm, selling the bulls, followed by the heifers. The sale order will be determined by the lot with the most bids, once the sale begins, we will go through the sale order and bidding will be opened to only those who have placed a bid on that lot. Once there are no further bids within those bidders the sale will be closed on that lot, with the lot being sold to the highest bidder. If you have any questions on this new sale format, please contact Lisa Zirkle or Jeremie Ruble.
